REPORT  
OF  
Superintending School Committee  
OF  
DISTRICT NUMBER ONE.

---

The schools in this District during the past year have been in charge of the following teachers:

High School, Mr. E. A. Pugsley; Grammar School, Mrs. S. F. G. Nowell; Intermediate School, Miss Nellie F. Lord; 1st. Primary School, Miss Martha W. Sanborn; 2nd. Primary School, Miss Florence E. Stevens.

Miss Lottie Junkins has also been employed for several weeks as a substitute teacher, first for Miss Sanborn in the 1st. Primary School and later for Miss Lord in the Intermediate School.

The work done in all the schools has been as satisfactory as it has been in previous years, and perhaps, on the whole, there has been an improvement. In the High School especially, the work is much more satisfactory than it was seven or eight years ago.

Mr. Hiram A. Junkins, as Janitor and Truant Officer, has given the usual satisfaction. The employ-

ment of a Truant Officer has been of very great benefit to the schools.

Parents should not relax their efforts to have their children always attend school when it is possible, and to have them punctual in attendance.

The record of attendance during the past year is very nearly as follows:—

	Average Membership.	Average Attendance.
High School,	32	29
Grammar School,	26	24
Intermediate School,	32	30½
1st. Primary School,	32	29
2nd. Primary School,	33	30

Respectfully,

A. A. MURCH,  
WM. SANDBROOK,  
G. W. NUTTER,  
H. E. HAMILTON,  
E. A. STEVENS,

Superintending Committee.

# REPORT

## OF THE

### School Board of the Town of Rollinsford

#### FOR THE YEAR 1899—1900.

The School Board of the town of Rollinsford respectfully present the following report:

The teachers who have been employed to instruct our schools the past year are: Mrs. Etta W. Goodwin of this town, the Sullivan school; Miss Elizabeth Chesley of Durham, the first term of the Rollins school, Miss Helen Harmon of Somersworth, the fall term, and Miss Blanche Adams of Berwick, the winter term; Miss Grace Sanborn of Somersworth, the first term of the Quamphegan school, and Miss Lottie Tibbetts of South Berwick, the remaining two terms; Miss Ella Abrams of Dover taught the Turnpike school the first three weeks of the fall term, then was obliged to leave on account of sickness and Miss Mae E. Page of Rochester finished the term, and Miss Katharine E. Neary of Southboro, Mass., has taught the remainder of the year.

These teachers have labored earnestly and faithfully in their schools, and we have seen good results and progress.

Regularity in attendance is an absolute necessity to

the success of any school; parents, teachers and scholars must work together to gain the highest success in school work.

Mrs. Eunice H. Clarke, a member of the Board for nearly five years, who has been a faithful and earnest worker in the interests of our schools, changed her residence to Dover in the fall, and the remaining members of the Board appointed Mrs. Mary P. Wentworth to fill the vacancy for the remainder of the year.

ELLA E. PLUMER,

ANNIE W. BAER,

MARY P. WENTWORTH,

School Board of Rollinsford.

The attendance through the year has been approximately as follows:

TABLE.	DIST. NO. 2.
Length of school in weeks, five days each,	36
Average daily attendance for the year,	78
Percentage of daily attendance,	82
Number of different pupils attending two weeks or more,	95
Whole number of pupils under six years of age,	6
Over sixteen years of age,	3
Between six and sixteen,	86
Wages of teachers during the summer,	\$32
Wages of teachers during the winter,	\$36
